

EBC Members:

The Evansville Bicycle Club Leadership team has made the decision to suspend all club scheduled rides at this time. We do not want members to feel they have to risk their health or others for the purpose of gaining club miles. We are not saying you can't go out and ride your bike or train on your own or in small groups, however there will be no club mileage recorded beginning at 8 am Monday (3/16/2020) until further notice. We will be re-evaluating the situation on a weekly basis and will keep you informed.

Thank you for your understanding during this National State of Emergency.

Kevin Otolski  
Evansville Bicycle Club President
