## **RIDE NOTES- October 2023**

**The Great Pumpkin Metric is coming!!! Be at the 4-H center on Sunday October 1. We can always use an extra hand. Helpers needed all day or any part of the day from about 7 am to 4 pm. Thanks!  
Encourage your friends to come out and ride!**

We are down to weekday, weekend, and Wednesday night rides. Please consider joining us on a ride of your choice soon!

**BEWARE!!** Because of the season change, we have also changed the start time of some of our rides. Please consult the schedule for details.

### **WEDNESDAY NIGHT Circuit Rides**

Circuit rides may seem boring in concept but it is really a great ride! We ride circles around the parks. The great part is that even if you can't keep up with the other riders or if you want to go a bit faster, it isn't far to the next rider at any time. You must have head lights and tail lights but they are cheap at discount stores and very reasonable at bike shops. There is minimal traffic in the parks at night also.

JOIN US FOR FUN! This is a great opportunity to enjoy the company of fellow bikers.

### **FRIDAY RIDES**

Due to the chillier mornings to come the Friday rides have moved back to the 1:00 pm time.

### **SATURDAY MORNING RIDES**

These rides start at 10:00 this month forward through the winter. The mornings will be cooler so we start a little later. We have consistently had a great group of riders out on Saturday mornings. The riders have been congregating after the ride for some fellowship and lunch at the designated restaurant where we start. Come join the ride and plan to visit after the ride.

### **SUNDAY MORNING**

We have gone back to offering the Sunday 9:00 ride in the park and the 10:00 ride on our other routes. There is also the usual Sunday afternoon ride at Bluegrass FWA starting on Olmstead.

### **October 6, 7, and 8**

#### **Hilly Hundred Weekend**

If you like hills this is the ride for you. What fun! Check out the website for more info! [Hilly Hundred](#)

### **October 12**

#### **Evansville Bicycle Club Meeting**

We meet monthly on the second Thursday of the month at Turoni's Forget Me Not Inn on Weinbach at Lloyd Exp. All members are welcome and encouraged to come. This is your club, come see what is being discussed and add your opinion. We want you! Dinner before the meeting is an option! Why cook, just come to the meeting and eat at Turoni's. They have great food! Social time/food starts at 6:00. Meeting starts at 6:30

### **October 14**

#### **Medaryville Crane Cruise**

This is a nice scenic ride with a lot of cranes passing through the area annually. Worth going for the sites! [Crane Cruise \(brinin.org\)](#)

### **October 19 and 21**

October **Club Century** Days are Thursday Oct. 19 and Saturday October 21. Note these rides start at 8:00 due to later sunrise. The route this month is the Poseyville Century or the Touring Century.

### **October 28 SATURDAY**

This is also the date for the October Full Moon Ride. The ride starts at 6:00 pm. Sunset is at 5:55 and the moon is scheduled to rise at 5:51. Come ride by the light of the moon. Headlights and taillights are required! There will be refreshments after the ride. This is a no drop ride. Everyone is encouraged to come. No one will be left behind!

### **October 31**

#### **Halloween**

Have fun, but be safe, if you want to wear a costume to the ride. Be sure all costumes are bike friendly please!

**Don't let a little cool weather keep you off your bike! There are several club members who ride all winter and survive even the coldest nastiest weather. Actually the fall is the best time to ride as the leaves are beautiful and the air is clear and so much easier to breath! Just ask anyone at a ride if you need help with how to dress and what gear you need. Think in layers and you should be fine.  
No matter how far, no matter how fast, KEEP ON RIDING!!!**

Remember to **wear your EBC jersey on Sundays** if possible!
