December 2023 RIDE NOTES

December weather can be a bit more brisk but we have plenty of fun opportunities to ride. Riding in the cold is not so bad if you dress right. A dear friend of mine always said, "There are no bad riding days, only bad clothing choices". Layer up and get out and ride. There are several of us who ride year round here.

Our monthly club meeting is scheduled for Thursday December 14 at 6:30 at the Turoni's Forget Me Not Inn on Weinbach at Lloyd. This is your club. Please come to the meeting and offer your input. Please come at 6:00 for social time and the meeting to start at 6:30.

The Club Century is scheduled for December 7 and 9. We will be doing the Folsomville Route or the Touring Route.

Wednesday night rides will all be at Wesselman Park this month due to the Festival of Lights at Garvin Park. This ride is for one hour (6:00 - 7:00 pm) on the very flat road at Wesselman Park. There is minimal traffic. Bring your lights and come well dressed, layers! Riding at night can be very refreshing and invigorating, especially in the middle of the week. Some people start early to get a full 20 miles in but feel free to join any time and ride as many miles as you can.

We are trying to schedule a Festival of Lights ride one Monday, Tuesday or Wednesday evening this month. The cost would be \$4 per person and you can ride your bicycle through Garvin Park and enjoy the light displays. We are still working on scheduling this, hoping to find a warm and dry evening. Watch the Facebook page for an announcement. G.D.Ritzy's donates the chili for the Great Pumpkin Metric starting this year. Supporting the Festival of Lights is our way of saying thank you back to them. If you cannot ride the bicycle event, consider driving your car through to see the lights and support the G.D. Ritzy's Festival of Lights 2023.

Hope to see you out on the road finishing up any personal goals for 2023. You can do it!

Remember, it's never too early to start working on your goals for 2024. Plan to start riding in January and keep it up all winter!
